## Minutes of Last Meeting

1. The minutes of the meeting on 14 May 2018 were agreed.

## Discussion of Interim Report on Automated Facial Recognition

2. The Panel discussed the key issues under consideration in the draft of its interim report on automated facial recognition technology, which will be focussing on the Met's trials. There was a detailed discussion of the 'gateway' for public participation in the trial; the public's awareness of the trial and consent to participate; and the possible implications if individuals choose not to participate.

**Action:** Panel members to continue to refine the draft interim report with a view to finalising in June.

3. The Panel agreed:
  - The Met would be given the opportunity to review the final version for factual accuracy; and
  - once the report was final, the Chair would send it to the Mayor, copying it to the Deputy Mayor for Policing and Crime and the Commissioner. The Panel would also put it on its website.

The Panel's next meeting will be on 9 July 2018.
