Ethical Hazards and Opportunities in Implementing AI for Policing in London

1. The Panel reviewed and discussed their early drafts which will form the basis for their report.

2. The Panel used its Ethics Matrix[1] to identify potential ethical issues arising from the use of AI which may impact state and civil society; persons of interest; victims; and police and partner organisations.

3. The Panel is working towards having a final draft of the report in June.

The Panel's next meeting will be on 11 May 2026
